Business Risk Management Program Information Sessions in British Columbia

Information sessions on the new suite of Business Risk Management Programs, including AgriInvest and AgriStability, are being held in British Columbia beginning February 2, 2009. Representatives will also be available to meet with producers individually for one-on-one consultations.

Program experts will be available to answer questions from producers about the benefits of AgriInvest and AgriStability, and provide tips for completing the 2008 harmonized form.

Locations and dates for Business Risk Management Program Information Sessions and individual appointments are listed below and can be found on our websites at www.agr.gc.ca/agriinvest and www.agr.gc.ca/agristability.
